You will need your rifle, at least two magazines (or three Garand/SKS clips), at least 100 rounds of ammunition (no steel-tipped or steel-cored). Due to safety concerns, I recommend you NOT bring Wolf ammo. Although not required, I recommend a carry strap or sling on your rifle so we can work "dismounts". Naturally, you will need your eye and ear protection. You will be shooting from kneeling and prone positions so you may want to dress accordingly.
