*This is an advanced handgun course and is not intended for beginning shooters.*

**The certificate provided at the end of this course will be honored by the OC Sheriff for three months from the date of issuance.**

The course will begin at the AllSafe facility and progress to a local range for the live fire. For the live-fire drills, you will need at least 200 rounds for your practice gun on the first day and then an additional 300 rounds for the second day. If you wish to qualify with more than one handgun, bring an additional 100 rounds for each handgun to qualify them. You must bring a holster for your main gun (ideally friction –fit retention, and **NO CROSS-DRAW OR SHOULDER HOLSTERS!**) and wear a garment (shirt/jacket/vest) that conceals the holster. Please bring at least two magazines for each auto-loader (more is better!) and, if practicable, at least one speed loader for any revolver you wish to qualify.

Please return this form with your check payable to AllSafe Defense Systems to the address below. Upon receipt, you will receive a confirmation E-mail with all the final details.
